HVAC equipment must be listed with the Air-Conditioning, Heating, and Refrigeration Institute.

Also, you'll need to pay sales tax on the pre-incentive prices.

One incentive per measure. If a customer receives an incentive on an equipment purchase, they cannot claim a second incentive on that same piece of equipment through any other BGE program application.

EmPOWER Maryland programs are funded by a charge on your energy bill.

EmPOWER programs can help you reduce your energy consumption and save you money.
